W. JAMES STEWART, CHIEF DEPUTY
WAYNE DICKY, JAIL ADMINISTRATOR

1700 WEST STATE HIGHWAY 21
BRYAN, TEXAS 77803-1300

To: Jail Administrator Wayne Dicky
From: Lieutenant Kevin Stuart
Date: June 27, 2017
Subject: PREA Annual Report

Mr. Dicky,

I have completed my review of the Brazos County Detention Center sexual abuse data. During the review I did not noticed any significant changes in the number of reports of sexual abuse. There appears to be a slight decrease in the reports of minor forms of harassment.

Our staff appears to be doing a good job of identifying and confronting inappropriate behavior. Identifying and responding to issues when they first surface only helps our agency identify potential abusers and therefore helps us reduce the potential for sexual abuse.

I recommend that we continue our efforts to make PREA compliance a priority. I'm particularly impressed with the security shifts that quiz their shifts during shift briefings. It is obvious they are well versed in how to respond and report.
